"I found the topics and speakers to be not only relevant but also provide great insight into new ways of doing traditional management tasks. The diversity of experiences and viewpoints as well as the wealth of knowledge and experiences by the attendees and speakers encourages the continuous acquisition of new skills. I highly recommend participation in these sessions!"

-Susan Nations Hamlin | Principal | Nations Food Service Equipment & Design | Leadership Academy 2017

The Leadership Council Southwestern Illinois Education Committee created the Leadership Series in 2017 to provide individuals with opportunities to grow in leadership and strategic planning to achieve their maximum potential.

Anyone is welcome to sign up for one or more sessions.

For more information, visit our website at www.leadershipcouncilswil.com

"The leadership training provided by the Leadership Council provided a multi-faceted and in-depth dive into the various aspects of effective leadership. The format provided the participants the ability to engage with local business leaders and gain insight into what makes them successful."

-Yvette Paris, LEED AP, NCIDQ | Design Director | Louer Facility Planning, Inc. | Leadership Academy 2017
